ARTHA RESOURCES CORPORATION
(A Capital Pool Company)
Notes to Financial Statements
For the six month period ended June 30, 2007

1. Incorporation and nature of business

The Company was incorporated under the British Columbia Business Corporations Act on January 9, 2006 as Touchstones Capital Corporation and is classified as a Capital Pool Company as defined in Policy 2.4 of the TSX Venture Exchange ("TSX Venture").

On February 8, 2006, the Company changed its name from Touchstones Capital Corporation to Artha Resources Corporation.

The Company's continued operations are dependent upon its ability to identify and evaluate potential acquisitions of interest in properties, corporations, asset or business, and once identified and evaluated, to negotiate an acquisition of thereof or participation therein subject to receipt of regulatory and, if required, shareholder approval in order for the Company to complete a qualifying transaction approved by the TSX Venture.

2. Significant accounting policies

The interim period financial statement have been prepared by management in accordance with Canadian generally accepted accounting principles. The preparation of the financial data is based on accounting principles and practices consistent with those used in the preparation of the Company's audited financial statements for the period from incorporation (January 9, 2006) to December 31, 2006. The unaudited interim financial statements of the Company do not contain all the disclosure required by Canadian generally accepted accounting principles for annual financial statements and should be read in conjunction with the audited financial statements for the period from incorporation (January 9, 2006) to December 31, 2006 and the accompanying notes included. In the opinion of the Company its unaudited interim financial statements contain all adjustments necessary in order to present a fair statement of the result of the interim period presented.

3. Cash and cash equivalents

The proceeds raised from the issuance of share capital may only be used to identify and evaluate assets or business for future investment, with the exception that up to 30% of the gross proceeds may be used to cover prescribed costs of issuing the common shares or administrative and general expenses of the Company. These restrictions apply until completion of a Qualifying Transaction by the Company as defined under the policies of the TSX Venture. The Company's excess cash balances are held in accounts at Canadian Chartered Banks. From time to time these funds are invested in fully insured interest-bearing instruments, which are redeemable without penalty at any time.
